

# Certificate of Flame Resistance

**WARNER SHELTER SYSTEMS LIMITED**

ISSUED BY  
Calgary, Alberta, Canada  
1-800-661-6155

This is to certify that the fabrics used in the manufacture of all WSSL tent covers and walls for:

Company TAYLOR RENTAL

City GARLAND Province/State TX

are fire-retardant having been tested and found to pass the requirements of:

California Fire Marshal  
National Fire Prevention Act, NFPA-701  
Underwriters Laboratories Canada, CANULC-S109-M

for the use in tent tops and walls.

Each WSSL tent top or wall has a permanently affixed label stating that the fabric used has passed the aforementioned tests.  
Flame retardancy treatment is effective for life of material and renewal certification is not necessary.

  
Manager of Production, Superintendent
